

Joint Committee on Student Success: Fund for Student Success

The **Joint Committee on Student Success** (JCSS) has released details on the “Fund for Student Success,” contained in **House Bill 3427**. The fund would structure new investments in K-12 and early education, making good on the commitment to provide all Oregon students a quality education. **THIS IS YOUR OPPORTUNITY TO ADVOCATE FOR A “YES” VOTE ON THIS HISTORIC INVESTMENT IN STUDENTS.**

Fund for Student Success

Investments

After restoring current service levels for the State School Fund, additional funding would be split into three new accounts.

Student Investment Account (50%)

This plan gives schools the latitude to target investments where they are most needed at the local level.

Eligible Uses for Student Investment Account

- Additional learning time
- Students’ physical and social-emotional health and safety
- Class size reduction
- Expand K-3 reading programs
- Middle school college and career-connected learning
- Counseling and student support programs
- Broadening curriculum options

Performance Metrics for Student Investment Account

- On-time graduation rate
- Percentage of students who finish ninth grade with 6 credits toward graduation
- Percentage of third graders reading at or above grade level
- Percentage of students classified as regular attenders
- Additional local measures

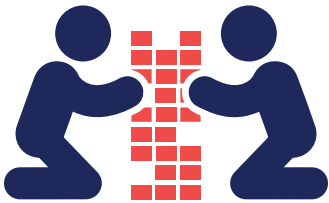

Statewide Education Initiatives Account (30%)

Funds statewide programs to help all schools raise performance.

Distributed to support:

- Student Success Teams to provide Oregon Department of Education support for districts failing to achieve growth targets
- Fully Fund Measure 98 with an additional \$133 million for dropout prevention, career and technical education, and dual enrollment options
- Universal Free Meals through school breakfast and lunch programs.
- Pilot programs to re-engage youths who have left high school
- High Cost Disability Fund to better help districts support students on an IEP
- School Safety Task Force recommendations including statewide safety net for students and suicide prevention personnel in every region of the state
- Funding for culturally specific community-based organizations that work in schools to improve student engagement and graduation rates
- Work groups to improve transparency and reduce bureaucracy in Oregon's education system
- Education service districts' work with schools

Early Learning Account (20%)

Funds statewide early learning programs, including:

- Full funding of Early Intervention/Early Childhood Special Education (birth-5)
- Relief nurseries
- New Early Childhood Equity Fund
- Oregon pre-K programs
- Professional development for early childhood educators
- Early Head Start
- Preschool Promise up to 200% of federal poverty levels

It's time to act!

Our students deserve this generational investment in their future. Contact your legislator today and ask for a “yes” vote on HB 3427.
